Corporate sponsorships range from \$250 to \$1,500 (cash and in-kind donations) and include sponsorships of specific stages and performances, events like the parade and fireworks, and activities like community murals and children’s activities.

As a Corporate Sponsor, you benefit in four significant ways:

- **Free publicity** - Your business will be associated with media promotion efforts and receive exclusive on-site festival signage should you wish to direct your contribution to a particular event or artist.
- **Free informational booth** – As a corporate sponsor you may choose to have an on-site information booth to give away product samples or special discounts or coupons or to set up a display to promote your business or service. The booth space reservation is incorporated into the sponsorship investment; however, sponsors are responsible for their booth construction (tents, decorations, worker seating, etc.) and space must be reserved before **July 1, 2021**. *Minimum contribution of \$395 is required for on-site presence with booth display.*
- **Free “good neighbor” association** – The benefits of association with a popular or community-related event are well documented.
