Drive Thru Bill Paying Now Open

Did you know the Town Office has a drive thru for bill paying?

When the Town Office moved to its new location at 4N. Second Street, it took over a building that was previously a bank. That building had a drive thru attached to the back of it. So to add convenience for our town residents, the drive thru has been opened to accommodate all that wish to pay a town bill without getting out of their cars.

If you have more detailed questions about bills and other services the Town Office provides, please stop by the lobby and inquire at the front desk.

The drive thru is open Monday - Friday 8:30a.m.-3:30p.m. and closed on holidays when the main lobby is closed.

So the next time you need to pay a bill at the Town Office, try paying it at the drive thru window.

The Lovejoy Group Performs Jan. 30

Friday Nites in Caroline presents a signature event, The Lovejoy Group!

Friday Nites in Caroline proudly presents a free performance by The Lovejoy Group at Colonel Richardson High School, 25320 Richardson Rd, Federalsburg, MD 21632, on Friday, January 30 at 7pm. Relax and enjoy the jazz, funky blues and smooth Latin rhythms of this East coast aggregate as they bring their diverse musical experience and soulfulness to the jazz arena. Their songbook concert of sweet saxophone and sultry vocals is a loose historical sketch of how jazz met Broadway, creating musical magic.

This Jammie Award-winning group is fronted by vocalist and bandleader Karen Lovejoy, with support from sax and woodwind

player Herb Smith, drummer Lawrence "Bubbles" Dean, lead guitarist Tony Harrod, bassist Bill Branch, pianist Jerry Allen, and Bob Shann on upright bass.

For more information, contact the 410-479-1009 or ccartsCouncil@verizon.net. Friday Nites in Caroline is presented by the Caroline County Council of Arts and the Caroline County Public Library; with production support from Caroline County Recreation and Parks, is sponsored by Tri Gas & Oil, Best Western Denton Inn, Eastern Shore Regional Library, Maryland State Arts Council and is FREE for all attendees. Donations are gladly accepted at the door.

Denton Plaza Facelift

Denton Plaza, located at the corner of 404 and Legion Rd., has been undergoing a facelift. In addition to updating the facade of the plaza, there will soon be a few new shops. Dollar Tree, Petco, Sleepys, to name a few, will be opening up in Denton Plaza. Rite Aid will be moving to Denton Plaza as well.

We encourage you to shop local whenever you can to help support local businesses.

The other half of the facade at the plaza will be next for an update. As the updates continue, those businesses already established will be open. Please stop by and don't let a little construction keep you from visiting them.

UTILITY BILL ALERT!

Utility Bills will be mailed around January 1, 2015. To avoid having your water turned off payment must be received by January 25, 2015. Payments can be made in person Monday - Friday from 8:30a.m. to 4:00p.m., in the drive thru Monday - Friday 8:30a.m. to 3:30p.m., by mail, or by placing it in the night drop box located to the left of the front door. Acceptable payment methods include cash, check, money order or cashier check. **Please note that the Town Office has moved to its new location at 4 N. Second Street.** The next utility bill will be mailed around April 1, 2015 and will be due in full by April 25, 2015.

Steps to stop texting and driving:

1. Awareness. Know the risks.

Texting while driving is involved in 200,000+ vehicle crashes each year, often involving injuries and death.¹

2. Commitment. Take the pledge.

Make a *lifelong commitment* never to text and drive.

Go to ItCanWait.com and take the pledge with a loved one.

3. Ritual. Change your behavior.

Create a routine that reminds you before you drive.

4. Influence. Speak up.

90% say they'd stop if a friend in the car asked them to.²

78% of teen drivers say they're likely not to text and drive if friends tell them it's wrong or stupid.³

93% would stop if a parent in the car asked them to.⁴

44% say that they would be thankful if a passenger complained about their texting while driving.⁵

Denton Public Works . . .

Snow Plowing Policy Reminder

Planning for a winter storm event can be difficult. The variations in the rate of snowfall, moisture content, air/surface temperatures, time of day, and wind velocity make each storm unique. Public Works crews need your cooperation to effectively clear our streets after a snowstorm. If at all possible, residents should wait until the storm has passed and roads are passable to venture out.

To achieve the best possible results in the most efficient manner

from the Department, residents are asked to remove their parked vehicles, trailers, and boats from all Town streets if possible. This will allow snow plows an opportunity to clear the streets with fewer passes, improve accessibility, and minimize damage to private vehicles, thereby saving both time and money.

Streets in Denton are prioritized into four categories for snow and ice events. Priority One streets are designated snow emergency routes that must be kept open at all times. Snow plowing begins when the accumulation of snow in the streets exceeds approximately two inches and snow continues to fall. The street accumulation is generally independent of the total accumulation of snow in the area. All Priority One streets are plowed before proceeding to any other areas.

Plowing of Priority Two streets will begin when accumulations of snow on the streets exceed approximately two inches and after all Priority One streets have been plowed. Plowing operations will begin on Priority Three streets and public parking lots after the completion of plowing operations on snow emergency routes. Sand is normally applied to hilly areas/

intersections as needed.

Winter Tips

If driving cannot be avoided when a snow emergency is declared, allow extra time to get to your destination. When roadways are icy or snow covered, you should never expect to drive as you would during clear weather or on dry road surfaces. Increase following distance between your vehicle and others on the road. Remember that bridges and ramps freeze first and may be especially difficult to navigate.

Do not abandon your vehicle. If your car breaks down, move your vehicle as far off the road as possible and lift the hood. Try to leave a distress signal, such as a scarf, hanging from the window.

To assure good visibility, try to remove all ice and snow from the windows, wipers, mirrors, and lights of your car. Remove snow and ice from the front grill, hood, and roof of your vehicle to reduce the chance of snow flying off of your vehicle while driving.

When shoveling snow from your driveway, shovel to the right when facing the street. You do not want to shovel the snow onto an area that will simply be plowed back onto the driveway after the plows come through. The shoveled snow should not be stacked over the ends of culverts or catch basins. Thawing snow could overload the drainage facilities and cause local flooding.

The Town of Denton will use a variety of means to communicate snow and ice control information. Public service announcements will be made on the local radio stations or you can log on to the Department's website at www.dentonpublicworks.com or visit the Town Facebook page.

Keep Wipes Out of the Pipes

Did you know that flushing wipes down the toilet can cause problems in the Town's sewer system? Those "disposable" wipes may be labeled flushable, but they can clog the sewer system and lead to costly cleanups and expensive repairs.

Many cleaning products labeled as "flushable" or "disposable" are not because they do not dissolve or break down after being flushed. The vast majority of these products labeled as flushable have no proven basis to claim that by flushing them they will not clog the pipes or pumps of the treatment system. Consumer Reports conducted a study comparing disintegration times of toilet paper and wipes where a mixer in a beaker simulated the swirling action of a toilet flushing. The toilet paper dissolved in 30 seconds, but the wipes, advertised as flushable, took up to 3 days. (www.consumerreports.org)

Nonwoven materials, feminine hygiene products, and FOG (fat, oil

& grease) are all items that cause issues with collections systems. These items block the operations of the lift station pumps and are the primary cause of sewer system overflows. This happens when any item is large enough to block the cavity between the pump impeller and the casting or the materials weigh down the automatic float system causing the pump to malfunction. This leads to overflows, damaged equipment, and increased maintenance costs.

Common offenders include:

- Disinfecting wipes
- Swiffer mop refills
- Toss-in toilet bowl wands
- Shop towels/rags
- Towelettes
- Baby wipes
- Paper towels.

A general guideline is, if the product does not dissolve as fast as toilet paper, it is not flushable. These materials should be placed in the trash. Visit www.mswmag.com/ for more information.

Friday Nites In Caroline Starts Jan. 23

Friday Nites in Caroline proudly presents a free performance by Free Range, a Caroline County-based acoustic ensemble, on January 23, 7pm at the Second Story Stage of Caroline County Public Library's Central Library, 100 Market St, Denton.

Comprised of Ali Reed Quillen on guitar and vocals, Steve Quillen on fiddle and vocals, Curt Fox on banjo and vocals, and Bryan Vance on bass, Free Range has a sound primarily rooted in traditional Bluegrass, seasoned with a bit of old-time Irish and Folk. Their performances and repertoire are authentic and engaging, with a style

pleasing to aficionados of traditional music and general audiences as well.

For more information, contact 410-479-1009 or ccartscouncil@verizon.net.

Friday Nites in Caroline is presented by the Caroline County Council of Arts and the Caroline County Public Library; with production support from Caroline County Recreation and Parks, sponsored by Tri Gas & Oil, Best Western Denton Inn, Eastern Shore Regional Library, Maryland State Arts Council and is FREE for all attendees. Donations are gladly accepted at the door.

Quilt Documenting in Easton

Thursday, January 22, 3:00pm - 8:00pm, Easton Fire Hall, 315 Aurora Park Dr, Easton, MD 21601. The public is invited to register to receive a written and photographic record of their antique (pre-1950) quilts. This documentation requires about 30 minutes per quilt for measuring, photographing, dating fabric, identifying patterns, and recording the quilt history. FACES will maintain this information in a database to help preserve the legacy of quilt making, recognize its heritage, and share its story. Every quilt will be given a documentation tag, and quilt owners will be able to access their information on the website via an identification number. Quilt values will not be

appraised and pre-registration is recommended in order to avoid a long wait time. Walk-ins will be accommodated as time allows. A \$5 donation per quilt is being requested. For more information and to register visit www.fiberartscenter.com/quilt-documentation-project/.

VOLUNTEERS ARE NEEDED:

Volunteers are needed to help at one of the following stations: check-in, physical documentation, photography, oral history, or check-out. Help is also needed for set-up and break-down. Sign up at <http://www.signupgenius.com/go/10c0e49aea628a64-quilt3> or contact info@fiberartscenter.com for more information about volunteering.

Attention Settlement Attorneys

Reminder to all settlement attorneys and agencies to please contact the Denton Town Office for fees due to the Town when handling settlements for properties being sold or transferred within the Town limits. There may be water/sewer fees or miscellaneous charges that need to be collected at the time of settlement. This will keep the Town's records up to date and better serve the residents of the Town of Denton. This will also eliminate problems after settlement of any outstanding balances for the new property owner.

Please note: Any property that transfers ownership and the utility fees are not collected at settlement and forwarded to the town that result in the water being turned off for non-payment, the water turn on fee will still be charged. This charged may be passed on to the settlement attorney. Currently the fee to turn water service back on during regular business hours is \$50.00 and after 3:30p.m., the fee is \$100.00. Forms are available to use when requesting information. Any questions, please call the Town of Denton at (410) 479-2050.

Service Fees for Utility Calls

All calls for utility service for properties located in the Town of Denton are assessed the following service fee. This fee applies for all water shut off/turn ons, and other miscellaneous calls for service. Paying utility bills on time can help the property owner avoid these fees.

Special Attention: Any water that is turned off will be assessed this fee to have the water turned back on. Tenants will need to pay this fee before water service is turned back on. (This may not apply for emergency situations pending the nature of the call.)
