Martin Luther King Jr. March

Members of the community gathered at Lockerman Middle School on January 20, 2020 to celebrate the life and message of Dr. Martin Luther King Jr.

The event kicked off at the school, headed to the Caroline County Courthouse, and then ended

at a Union Bethel AME Church for a hot meal and a free community health check.

This program was brought to the community by many hard working volunteers of the Lockerman School Association and has become an annual community event.

Councilman Branson has served on the Denton Town Council off and on since 1982.

The Town Council holds regular monthly meetings the first Thursday of the month, 7p.m. at the Town Office. The meetings are open to the public. We invite you to attend and find out what is going on in the town. Find out more at www.dentonmaryland.com

SNOW PLOW POLICY INFORMATION

Planning for a winter storm event can be difficult. The variations in rate of snowfall, moisture content, air/surface temperatures, time of day, and wind velocity make each storm unique.

The purpose of this policy is to clarify and describe the Town's snow plowing and sanding priorities and the level of service that is intended to be provided by Town forces. The Town does not guarantee that streets will be free of snow and ice after plowing and/or sanding. Bare, dry pavement should not be expected. The Town will attempt to maintain adequate traction for vehicles properly equipped for winter driving conditions.

It is the goal of this effort to establish general policies and procedures that help make travel within the Town as safe as possible and to minimize economic hardship. Visit http://www.dentonpublicworks.com/streets/snow_plowing_policy.asp for the list of street priority.

GRASS CUTTING SEASON REMINDER

Please remember to keep your lawn trimmed to 6 inches or shorter.

Public Works...

6th Street Sewer Clog

On February 6th Denton Public Works were called to 6th Street responding to a clog in the sewer lines. After hours of work and detoured traffic, the problem was located and removed. It was a number of “flushable wipes” (pictured above) that were caught in the sewer lines that caused the problem.

Although companies sell some wipes as “flushable” our staff at

the Public Works Department can tell you these products frequently cause problems for Denton’s sewer system.

If you use these products, please **reconsider** flushing them. They do not break down quick enough and often times cause major issue in clogged pipes and damaged machinery at the plant.

Please refer to the additional information below. Thank you for helping us keep the pipes clear.

Winter Weather Tips

Here are some helpful tips to keep you and your home comfortable during this winter season.

To keep your pipes from freezing, turn off all outside spigots and insulate the pipes to protect them from the freezing temperatures.

To prevent water damage in your home, so you don’t experience a burst pipe, locate all the water shut off valves. Don’t wait for someone else to turn it off. The delay could cause major water damage.

As far as snow removal in the town, streets will not be plowed unless there is a 2 inch accumulation. The snow removal equipment cannot withstand clearing the street for a trace of snow.

When shoveling out your driveway pile the snow in your yard not in the streets and always pile it to the left side of your driveway. This prevents the snow from being pushed back in your driveway from the street.

During snow storms park as many cars as you can in the driveway to make snow removal easier. It may also prevent your vehicle from being damaged by other vehicles on the roads.

EMERGENCY ROUTES are a priority when removing snow, secondary roads and alleys are last. You must be patient the crews will get to your area as soon as possible.

Lastly, your safety and the safety of our snow removal crews are our number one concern. Let’s do all we can to keep everyone out of harm’s way.

Spring Loose Leaf Collection

The Town of Denton will be providing a special spring loose leaf collection service to vacuum up leaves that are left over from the fall. The Denton Public Works Department is scheduling their loose-leaf removal service to occur on Friday April 3, Monday April 6, Monday April 13, Friday April 17, Monday April 20 and Friday April 24, 2020. Leaves must be bagged for pickup the remaining months of the year.

Leaf vacuuming will occur on Friday and/or Monday pending workload. It will be necessary to call in your loose-leaf vacuum pickup request by 12 NOON on Thursday to guarantee pickup by Monday. We asked that you please only have one pile of leaves and have it located at the edge of your property, without obstructing sidewalks or roadways, where it can easily be accessed by Public Works.

Bagged leaf collection will still take place on Wednesdays and must be called in to the town office by 12 NOON on Tuesdays.

Citizens are encouraged to call the Town Office at 410-479-2050 to request pickup. If calling after hours please leave the requests

on the Town Office answering machine, ext. 1.

Please follow these guidelines for leaf removal:

- Rake leaves to the curbside or alley
- DO NOT rake leaves into the street
- DO NOT rake leaves onto the sidewalk
- Make sure all sticks and limbs are removed from the pile of leaves
- Make sure there are no other objects or debris mixed with the leaves (like bottles, cans, flowerpots, gloves, ashes, pet waste or other trash)
- Piles of leaves with sticks, limbs or other debris will not be picked up
- Phone in your pickup request to the Town Office at 410-479-2050 by Thursday to guarantee pickup by Monday
- All pickups will be done by request/appointment only
- Loose leaf pickups will occur from April 3 through April 24, on Mondays and Fridays only. Leaves must be bagged any other time.

IMPORTANT NOTICE - Wipes & Personal Hygiene Products Clog Sewer Lines!

Many household products are labeled and marketed as **DISPOSABLE** and/or **FLUSHABLE**; many baby and adult personal hygiene products, along with household wipes and cleaning towelettes are labeled both disposable and flushable. While these products may be marketed as a convenience item in this way, the truth is that these types of items have the ability to clog and stop up not only the sewer line on your property, but also can cause blockage and service problems in the public sewer system and pump stations.

Unlike toilet paper, these products **DO NOT** break down once they are flushed. They can cause blockages in your on-site sewer, especially older pipelines that may have greases, roots, or other obstructions already existing. A repair of the on-site sewer line can leave the home owner or business owner with a very costly sewer repair.

On a larger scale, when these products make their way into the public sewer system they collect together, causing very large obstructions and clogs in the main collector lines and get tangled in pump stations requiring repair or replacement of equipment.

What We All Can Do To Help...

The following items should **NEVER** be flushed into the sewer system:

Disinfecting/surface wipes	Mop or “Swiffer” type refills
Baby wipes	Paper towels
Jewelry wipes	Pet care wipes
Cosmetic wipes	First Aid wipes
Disposable diapers or diaper liners	Bio-pads (nursing home, home health care, etc.)
Cotton swabs	Feminine hygiene products
Toilet cleaning pads	ANY moist type towelettes

⚠️ ANY CONSUMER ITEM THAT IS NOT TOILET PAPER!

Every home and business has a sewer connection to the public sewer system. This connection runs from the home or business to the sewer main where it is connected to the public sewer system. This on-site sewer line is the responsibility of the home or business owner to keep clear so there are no back-ups of wastewater into the home or business. Save yourself and your Sewer Utility from costly repairs and/or replacement bills. **Do not flush the listed items; place them in the trash, not the toilet.**

Denton Mainstreet...

Open Air Market Kick-Off Party

Downtown Denton Main Street is looking for vendors for the kickoff of their annual Open Air Market. The kickoff party is April 8, 10a.m.-3p.m. at the Community Demonstration Garden at 4th and Gay St.

Artists, crafters, farmers, and makers are welcome to sell their items at the kickoff and for the 2020 Open Air Market Season.

For more information please contact 410-924-2328 or email manager@downtowndenton.com.

Shop Small Pop-Up Event

On February 8, Denton Mainstreet held a Shop Small pop-up event in the downtown area.

Local businesses opened their doors to artists and makers to sell their wares in pop-up shops around town.

This is a great opportunity to get people out in town on a Saturday, do some shopping, and visit stores they may have never been in before.

Denton Main Street would like

to thank the following downtown businesses for opening their doors to this special event: Black Anchor Tattoo, Patti's Petals, SnoAngels, Cambio Broadband, Luck & Love Homestead/At The Table, Night Kitchen Coffee, Nich's Coffee, Purple Peake, Whats New Shop, Meraki, Awards Engraving, Joviality, Not A Phase Clothing, Devfning Moments Salon and Spa.

5th Annual Minigolf Event a Great Success

Over 200 people swung, putted, and played through both floors of the Denton library as they supported the Friends' Library Minigolf fundraiser!

Library Minigolf is the Friends' major fundraiser each year. It happens each year with the help of Russ Bolton from Library Mini Golf, a New England company dedicated to creating family fun in libraries, and the financial support of many local businesses that donated as event and hole sponsors, as well as contributing items to nine exciting

raffle baskets that were raffled off at the end of the event. This year's event raised over \$8000.

The Friends support the library by purchasing materials and supporting programs that might not fit into the library budget. If you love and want to support your library, you can join the Friends and get involved in putting on this fun event. Visit the Friends' webpage, carolinefotl.com, or visit any Caroline County Public Library location for an application.

THE 2020 CENSUS IS COMING, HERE'S WHAT

YOU SHOULD KNOW

Everyone counts!

The census is intended to count every living person (citizens and non-citizens) in the United States.

Census data determines how federal dollars are distributed

for programs such as SNAP, CHIP, Headstart and the National School Lunch Program. It also helps businesses choose where to invest in new factories, offices and other job opportunities.

Text COUNT to 225-568 for our Census Campaign Updates. Message and data rates may apply.

For the first time ever, we'll be allowed to complete the census form online.

This move is intended to increase opportunities to engage hard-to-count populations. (But don't worry, there will still be an option to complete your form by mail or even by phone!)

In March 2020, the census will be open for all U.S. residents to take.

Each household will receive a notification in the mail that lists the 2020 Census website and a unique User ID in order to fill out the survey online. The Census Bureau will begin following up with people who haven't filled out the questionnaire in May.

Attention Settlement Attorneys

Reminder to all settlement attorneys and agencies to please contact the Denton Town Office for fees due to the Town when handling settlements for properties being sold or transferred within the Town limits. There may be water/sewer fees or miscellaneous charges that need to be collected at the time of settlement. This will keep the Town's records up to date and better serve the residents of the Town of Denton. This will also eliminate problems after settlement of any outstanding balances for the new property owner.

Please note: Any property that transfers ownership and the utility fees are not collected at settlement and forwarded to the town that result in the water being turned off for non-payment, the water turn on fee will still be charged. This charged may be passed on to the settlement attorney. Currently the fee to turn water service back on during regular business hours is \$50.00 and after 3:30p.m., the fee is \$100.00. Forms are available to use when requesting information. Any questions, please call the Town of Denton at (410) 479-2050.

Service Fees for Utility Calls

All calls for utility service for properties located in the Town of Denton are assessed the following service fee. This fee applies for all water shut off/turn ons, and other miscellaneous calls for service. Paying utility bills on time can help the property owner avoid these fees.

Special Attention: Any water that is turned off will be assessed this fee to have the water turned back on. Tenants will need to pay this fee before water service is turned back on. (This may not apply for emergency situations pending the nature of the call.)

\$50.00 fee during normal business hours.

\$100.00 fee after normal business hours.

IT IS UNLAWFUL TO TAMPER WITH THE TOWN OF DENTON UTILITIES. DOING SO CARRIES UP TO A \$1,000 FINE AND POSSIBLE ARREST. PLEASE CONTACT THE DENTON PUBLIC WORKS DEPT. AT 410-479-2050 IF YOU NEED ASSISTANCE WITH YOUR SERVICE.
