Celebrating the Life of Dean Danielson

On September 11, 2021 former Mayor and friend to all, Dean Danielson, passed away.

In April, 2022 a celebration of life was held at the Wharves of Choptank Visitor and Heritage center for family and colleagues to gather and share their fond memories of Dean.

Dean was a longtime resident of Denton, a past member of the Denton Town Council, and former

Mayor.

Dean also organized the summer car shows in downtown Denton. Car enthusiasts from around the Eastern Shore came to those car show because they at one point or another met Dean and he invited them to attend.

He was born April 13, 1951. Dean was such a pillar of our community. Our thoughts and prayers go out to his family. His Town of Denton family will miss him very much.

Denton Main Street News

What is a Trex Challenge? The Trex Challenge is to collect 500 pounds of plastic film in 6 months and downtown Denton will receive a bench made from plastic film! We are doing this to bring awareness to the importance of recycling and keeping these items out of landfills. We began this challenge January 15th and will continue until July 15th. We currently have collected 83 pounds of plastic film. We have two drop off sites right here in Denton: The Caroline County Library & Caroline County Recreation and Parks.

We would like to thank: Keep Maryland Beautiful,

the Forever Maryland Foundation, Maryland Environmental Trust & the

Maryland Department of housing and Community Development.

This year we were awarded money to continue to beautify our green-

space right here in our downtown. We will have all this completed by April:

We have a new picnic table that seats 6-8 people in the ArtsWay Pathway, we will also have a new garden shed in the Denton Community Demonstration Garden along with native plants planted around the inside and outside of the garden to help beautify and help with storm water management.

The one other item that was supplied with this grant is a new bicycle rack that will be located by the bus stop on N. 3rd Street.

We had a clean-up day on March 26th in the pathway and the garden. We got a lot accomplished that day and thank our volunteers who came out and helped.

If you'd like to know more about these projects or more about DDMS, please go to downtowndenton.com

Eagle Scout Project at the Community Demonstration Garden

Eagle Scout, Oms Korat from Troop 165, chose the Community Demonstration Garden as his Eagle project. He and his volunteers removed the platform and replaced it with a beautiful patio.

especially the LGBTQ community.

“A community where there are no labels, where each person respects their neighbor regardless of their sexual preference, will be a strong, united and thriving community” said Angel Perez, Festival Chair.

This year the festival will be dedicated to Mrs. Nicole Fisher, CCPS for her dedication to the LGBTQIA students in Caroline County and her efforts through the Equity Committee. In addition, Caroline County Pride launched its website last February with more than 900 visits in 30 days.

This website will not only serve to promote the festival but also to connect the community with LGBTQIA community resources, community events, educational information and more.

The Caroline County Pride Festival will also run the Preston Pop-up Market for the 2022 season, thereby serving the community and supporting local businesses.

The festival will celebrate the beginning of summer in a Luau atmosphere featuring over 60 vendors and community resources, 4 main stage performances including The G Method Band, Ellie Rose, Tina Holt and Sammati Dance and a Fashion Show and other presentations around the festival.

“Having an event in our County where not only diversity is celebrated but at

the same time educating about inclusion, respect and equity for those who are classified as not being normal is an opportunity to show the rest of the world that Caroline County is one where there is no

discrimination and everyone is welcome” Said Mr. Peres, Festival Chair.

Attention Settlement Attorneys

Reminder to all settlement attorney's and agencies to please contact the Denton Town Office for fees due to the Town when handling settlements for properties being sold or transferred within the Town limits. There may be water/sewer fees or miscellaneous charges that need to be collected at the time of settlement. This will keep the Town's records up to date and better serve the resident's of the Town of Denton. This will also eliminate problems after settlement of any outstanding balances for the new property owner.

Please note: Any property that transfers ownership and the utility fees are not collected at settlement and forwarded to the town that result in the water being turned off for non-payment, the water turn on fee will still be charged. This charged maybe passed on to the settlement attorney. Currently the fee to turn water service back on during regular business hours is \$50.00 and after 3:30 PM the fee is \$100.00. Forms are available to use when requesting information. Any questions, please call
