EV Charging Stations Available in Denton

As more and more people drive electric vehicles, they are searching for public places to charge their cars. Currently there are very few charging stations along 404 between the Bay Bridge and the beaches.

In mid October Delmarva Power installed two EV (Electric Vehicle) Charging stations in

downtown Denton. One is located at Crouse Park . The other is located at 3rd and Gay St. in the municipal parking lot.

The location of the stations allows people to charge while visiting our beautiful downtown restaurants, shops, or take in the sites at the visitor center.

Both stations will charge two vehicles at a time.

This is a great opportunity for Denton to offer people an opportunity to reduce carbon emissions and save the planet.

For more information please visit the Denton Town website at www.dentonmaryland.com/ev-charging-stations-in-denton.

Caroline County Mayors Join Mayors for Mentoring

Denton Mayor Abigail McNinch pictured with Angel Perez of Caroline County YMCA Mentoring Project.

In the past few weeks, Abigail McNinch, Mayor of Denton, and Kevin Reichart, Mayor of Greensboro, joined a national campaign called "Mayors for Mentoring." This campaign is an effort to celebrate the efforts of mayors to expand

the quality and quantity of mentoring opportunities for young people in their communities.

From their unique position as community leaders, mayors can make a powerful impact in their cities. MENTOR and its

affiliates want to showcase these elected leaders across the country who are elevating mentoring in their communities. Mayors are scaling quality mentoring initiatives, mobilizing their communities, and better equipping young people to succeed through improved school attendance and achievement, high school graduation, workforce readiness, and connection to their cities.

"For us at the YMCA Caroline Mentoring Project, it is an honor to have these two mayors as they have always shown passion and commitment for the youth in their communities. In collaboration with Mrs. McNinch and Mr. Reichart, we will be carrying out several initiatives at the local level to raise awareness about the benefits of mentoring and the importance of becoming a mentor" said Angel Perez, Program Coordinator.

Both mayors have brought Caroline County's name to the map with

Mrs. McNinch being the first Eastern Shore mayor to be part of this national campaign and the second mayor to join this campaign from the state of Maryland. Mr. Reichart is the second Eastern Shore mayor to be a part of this national campaign and the third mayor to join this campaign from the state of Maryland.

"We at the YMCA know the impact that a positive adult role model can have on a young person. It's awesome to know that we have local leadership in our corner to help us continue serving the young people of Caroline County" said Brian Byrnes, Executive Director of the Caroline County Family YMCA.

If you want to know more about or join this free program offered free of charge by the Caroline County Family YMCA you can contact Angel Perez, Program Coordinator at (410) 479-3060 or carolineymcamentoring@ymcac-hesapeake.org. This program is funded by Caroline Human Services Council.
