Bike Safety

Bicycle safety is very important. Make sure your child always wears a helmet and that it fits properly.

Check the bike to make sure the brakes, reflectors and tires are working properly. Adjust the seat to your child's height.

Teach your child to check for traffic before entering a street or intersection by look-

ing left and right.

Explain the rules of the road to your child. Bicycles are considered vehicles and must obey the same rules as motorists.

Teach proper hand signals for left and right turn. Never allow your child to wear headphones while riding.

Boat Ramp Permit Season

Boating season is here. Just a reminder, effective April 1, 2009, a permit is required to launch any vessel, via boat trailer, at all Caroline County boat ramps and public landings.

Permits may be purchased for one day use or annual use and vary in price.

A one day pass is \$10. Annual pass fees are \$25. Annual permits are valid only when displayed on the driver's side of the boat trailer tongue, within 12 inches

of the hitch. Daily permits must be hung on the inside mirror facing the windshield. Fines for a first offense are \$50, and a second offense is \$100.

Permits are available at the Denton Town Office, Caroline County Recreation and Parks Office, Caroline Co. Planning and Codes Office, Bullocks Deli, Denton Pharmacy, Caroline Co. Tax Office.

Service Fees for Utility Calls

All calls for utility service for properties located in the Town of Denton are assessed the following service fee. This fee applies for all water shut off/turned on, and other miscellaneous calls for service. Paying utility bills on time can help the property owner avoid these fees.

Special Attention: Any water that is turned off will be assessed this fee to have the water turned back on. Tenants will need to pay this fee before water service is turned back on. (This may not apply for emergency situations pending the nature of the call.)

\$50.00 fee during normal business hours.
\$100.00 fee after normal business hours.

IT IS UNLAWFUL TO TAMPER WITH THE TOWN OF DENTON UTILITIES. DOING SO CARRIES UP TO A \$1,000 FINE AND POSSIBLE ARREST. PLEASE CONTACT THE DENTON PUBLIC WORKS DEPT. AT 410-479-2050 IF YOU NEED ASSISTANCE WITH YOUR SERVICE.

Tennis Court Resurfacing

During the month of April the tennis courts located at Wheeler Park were resurfaced and painted with tennis striping and pickleball striping.

Pickleball has become so popular the town wanted to make sure we could provide as many spaces as we could to people that love that game so much.

Additional pickleball courts are available at 4th Street park for the public to use. This court also has lighting for the late night games.

Thank you for your patience as we renovated and resurfaced the Wheeler Park court. We hope you enjoy the new playing surface.

Tree and Sidewalk Project

The Town of Denton has partnered with Downtown Denton Main Street to renovate the sidewalks on Market Street along with adding electrical for tree lighting and updating the trees with ones that will not buckle the sidewalks.

This has been an ongoing project that started late 2022 until Spring of 2023.

Denton Main Street received grant funds in 2022 to replace the sidewalk pavers on the 200 block of Market Street. While the Town received grant funds to update electrical lines and add

electric to light up the trees. The town also used forestation funds to remove and plant new trees on Market Street from 1st to 4th Street. The new trees are designed to root down instead of out. This should reduce the buckling of the sidewalks and pavers and alleviate damage to businesses with foundation issues from the old roots.

Thank you to our residents and visitors for their patience as we have worked to make these Market Street improvements.

We will continue to update the pavers as grant funding becomes available.

Special Collection Reminder
