

Town of Denton

Special Event Permit Application

Dear Event Planner,

Thank you for your interest in holding an event within historic downtown Denton. The Town of Denton is a great setting to hold outside events and activities. We look forward to working with you during this process.

Due to an increase of event requests in the downtown area, we have modified our special event application to include a check list, more detailed information, and guidelines for event planners and town staff to have a clear understanding of what is needed for the event.

Any organized activities involving the use of, or having impact upon, Town owned property or Town facilities including parks, parking lots, sidewalks, street areas, or the temporary use of Town property in a manner that varies from its current land use, requires a special event permit. Your event cannot be advertised until the application has been submitted and approved by the Denton Police Department, Denton Public Works, and Town Administrator.

Please keep a copy of the Event Application Guidelines, Event Request Form, and Checklist for your files as you plan and execute your event. Any changes to the event should be communicated to the Denton Police Department asap.
