Council of Arts—Artist Banner Project

Have you noticed all the new banners on Market Street in Downtown Denton? Local artists painted one side and the public painted the other side.

They depict a number of sites, flowers, local birds, and anything the artists chose to paint.

We encourage you to drive or walk along downtown Denton to take in all

the amazing art. We have some very talented artists in our county and we are excited to show their talent in a public forum like this.

Watch for more information about how to purchase a banner during an upcoming auction. Proceeds benefit the artist and the Arts Council. For more information visit www.carolinearts.org

The last few weeks there have been groups of young people riding bikes around downtown and on 6th Street that have been cutting in and out of traffic and popping wheelies close to moving vehicles.

We would like to remind our residents that bikes follow the same rules as vehicles and should follow the rules above.

If you think your child might be riding in an unsafe manner when you are not present, please teach them the rules of safe bicycling.

The Maryland Department of Transportation (MDOT) has a number of

informational flyers on their website to help you teach your child (and refresh your memory) how to safely ride in traffic. Visit www.roads.maryland.gov/mdot-sha/pages/index.aspx?PageId=357 for more information.

Thank you for your assistance in this manner. We want to keep everyone safe during these warm summer months when children are out riding their bicycles more.

Have a safe bicycling summer!

License-Free Fishing Days in 2023

Article provided by [Maryland.gov/dnr](https://www.maryland.gov/dnr) website.

The Maryland Department of Natural Resources offers license-free fishing days for all state residents and visitors on Saturday, June 3, Saturday, June 10, and Tuesday, July 4.

Maryland's annual license-free fishing days offer anglers a unique opportunity to explore the state's diverse fishing without needing a fishing license, trout stamp, or registration. On these days, any individual may catch and possess finfish for recreational purposes in any tidal and nontidal waters of Maryland. All anglers must follow current size and catch limits found in the department's [fishing and crabbing guide](#).

The department also has dozens of other resources to help new or experienced anglers, including [angler access maps](#) and [fish identification charts](#). In addition, anglers of any level are encouraged to sign up for the weekly [Maryland Fishing](#)

[Report](#), which provides up-to-date fishing information.

Aside from these free fishing days and certain [license-free areas](#), anyone 16 or older fishing in Maryland must possess a license, which can be obtained or renewed [online](#) or on the department's [mobile app](#).

Special Collection Reminder

Household Items: All special collection items to be picked up on Wednesdays must be called in by 12 noon on Tuesday. Effective January 1, 2003, there is a \$5.00 collection fee for each item to be collected. This fee must be paid prior to pick up date. Reminder that all mattresses and box springs must be wrapped in plastic and sealed with tape.

Yard Waste: All bagged leaf and brush pickup requests must be called in by 12 noon on Tuesday for Wednesday pickup. Call all requests in to the Town Office at **410-479-2050**. Leave a message after normal business hours.

Rental Program Updates

The Town has completed their comprehensive review of the existing residential rental license and inspection program; Chapter 98 of Denton Town Codes. The review was completed through input from the Town Council, the Town Attorney, and the Planning and Codes staff. The Town feels confident that the changes will help clarify the Rental Code and will also help protect the Landlord and the Tenant from any extreme interpretations. This was finalized through the passing of Ordinance # 744 on May 4, 2023 with a Public Hearing and adoption.

For new Rental Code-

[DE1138/laws/](#)
[LF1785993.pdf](#)

Planning and Codes will now begin to complete the rental inspections again in an orderly fashion, beginning with units which are new to the rental program, that have not been inspected and will follow that up with units that are over 3 years without an inspection-oldest to newest.

Attention Settlement Attorneys

Reminder to all settlement attorney's and agencies to please contact the Denton Town Office for fees due to the Town when handling settlements for properties being sold or transferred with in the Town limits. There may be water/sewer fees or miscellaneous charges that need to be collected at the time of settlement. This will keep the Town's records up to date and better serve the resident's of the Town of Denton. This will also eliminate problems after settlement of any outstanding balances for the new property owner.

Please note: Any property that transfers ownership and the utility fees are not collected at settlement and forwarded to the town that result in the water being turned off for non-payment, the water turn on fee will still be charged. This charge may be passed on to the settlement attorney. Currently the fee to turn water service back on during regular business hours is \$50.00 and after 3:30 PM the fee is \$100.00. Forms are available to use when requesting information. Any questions, please call the Town of Denton at 410-479-2050.
