

2024 Summerfest Corporate Booth Reservation

**SEND THIS FORM ONLY IF YOUR BUSINESS WILL
HAVE A BOOTH AT THE EVENT**

Booth space at the event is optional, but must be reserved!

Minimum sponsorship requirement is \$500 for any private or for-profit business. Reserve your 10x10 space by completing the form below and faxing it by July 1, 2024. If you require a space larger than 10x10, additional fees will apply and are generally assessed at \$1/additional square foot. For example, a 10x20 is an additional 100 square feet - fee is \$600

Booth requests received after this deadline date may be allotted on a space available basis and are not guaranteed street-level visibility.

The contact person you list below will receive a confirmation packet by August 1 that defines your booth location assignment and the set-up requirements of your space. **Please note:** you will be responsible for the construction of your booth. If you require a tent, please secure these services through local vendors. **Summerfest will provide one 6-foot banquet table and access to electric for vendor/sponsor provided lighting for each 10x10 space reserved.**

If you want to sit down, please provide your own chairs.

2024 Corporate Sponsor Opportunities

Caroline Summerfest is a free two-day family festival in downtown Denton. Summerfest has become one of the signature events for Denton and Caroline County and holds a place for many as the end of summer “Hurrah” The event is hassle-free for families who want to do something together but not “go broke” in the process and a terrific fund and friend-raising opportunity for over 75 non-profits serving Caroline County and the Mid Shore.

Summerfest will be celebrating its 35th year on August 16 & 17. Think family reunion, community block party, sun, fun, and FREE! as you relax and de-stress within the small-town magic of historic Denton - that is Summerfest.

Summerfest has consistently attracted crowds of 8,000 – 9,500 for the past five years. In 2023 this number held to 7,500 as people continued to look for high quality events that are affordable and close to home.

Standard features of Summerfest include several stages of professional and local entertainment, a variety of professional street performers, interactive-art workshop areas for kids, a “Rivah Run” paddling event, fireworks, antique and custom car show, craft displays and sales, and food & gaming concessions.

WHY SPONSOR?

Event marketing and sponsorships can be extremely effective ways to get your business name, brand and logo out to your target market. If you have a business or sell a product or service that you market to multiple ages and families, Caroline Summerfest may be the perfect vehicle to promote your business.

Corporate sponsorships range from \$300 to \$1,750 (cash and in-kind donations) and include sponsorships of specific stages and performances, events like the parade and fireworks, and activities like community murals and children’s activities.

As a Corporate Sponsor, you benefit in three significant ways:

- **Free publicity** - Your business will be associated with media promotion efforts and receive exclusive on-site festival signage should you wish to direct your contribution to a particular event or artist.
- **Free informational booth** – As a corporate sponsor you may choose to have an on-site information booth to give away product samples or special discounts or coupons or to set up a display to promote your business or service. The booth space reservation is incorporated into the sponsorship investment; however, sponsors are responsible for their booth construction (tents, decorations, worker seating, etc.) and space must be reserved before **July 1, 2024**. *Minimum contribution of \$500 is required for on-site presence with booth display.*
- **Free “good neighbor” association** – The benefits of association with a popular or community-related event are well documented. Consumers love to patronize businesses which support their community, making Caroline Summerfest a win-win when it comes to cost-effective marketing to a built-in target audience.
