- E. After receiving the recommendations of the Planning Commission concerning any proposal for amendment of the Official Zoning Maps¹ and before adoption or denial of same, the Town Council shall introduce legislation for the proposed change and hold a public hearing in reference to it in order that parties of interest and citizens shall have an opportunity to be heard. The Town Council shall give public notice of such hearing in accordance with the provisions of Article XVII hereof.
[1] Editor's Note: The Official Zoning Map is included as an attachment to this chapter.
- F. Regardless of amendment type, a complete record of the hearing and the votes of all members of the Town Council in deciding all questions relating to the proposed amendment shall be kept.
- G. Upon passage of a text amendment to this Chapter, the affected page(s) may be removed from the ordinance and page(s) containing the amended language inserted and footnoted. A list of amendments shall be maintained with appropriate dates at the end of this Chapter.
