- Extent of outreach to involve new audiences, special constituencies and underserved populations.
- Management effectiveness and financial stability.

This grant should not be the sole source of funding for any applicant. Please note, current recipients of Town funding are not eligible to apply.

If your organization would like to apply during this cycle, please review the application and grant policy online. Questions and applications can be submitted to the Town Administrator at sgetchell@dentonmaryland.com or (410) 479-2050. Service Fees & Attorney Info.

Service Fees for Utility Calls

All calls for utility service for properties located in the Town of Denton are assessed the following service fee. This fee applies for all water shut off/turned on, and other miscellaneous calls for service. Paying utility bills on time can help the property owner avoid these fees.
Special Attention: Any water that is turned off will be assessed this fee to have the water turned back on. Tenants will need to pay this fee before water service is turned back on. (This may not apply for emergency situations pending the nature of the call.)
$50.00 fee during normal business hours.
$100.00 fee after normal business hours.

IT IS UNLAWFUL TO TAMPER WITH THE TOWN OF DENTON UTILITIES. DOING SO CARRIES UP TO A $1,000 FINE AND POSSIBLE ARREST. PLEASE CONTACT THE DENTON PUBLIC WORKS DEPT. AT 410-479-2050 IF YOU NEED ASSISTANCE WITH YOUR SERVICE.

Attention Settlement Attorneys

Reminder to all settlement attorneys and agencies to contact the Denton Town Office for fees due to the Town when handling settlements for properties being sold or transferred within the Town limits. There may be water/sewer fees or miscellaneous charges that need to be collected at the time of settlement. This will keep the Town's records up to date and better serve the residents of the Town of Denton. This will also eliminate problems after settlement of any outstanding balances for the new property owner.

Please note: Any property that transfers ownership, and the utility fees are not collected at settlement and forwarded to the Town that result in the water being turned off for non-payment, the water turn on fee will still be charged. This charge may be passed on to the settlement attorney. Currently, the fee to turn water service back on during regular business hours is $50.00, and after 3:30 PM, the fee is $100.00. Forms are available to use when requesting information. Any questions, please call the Town of Denton at 410-479-2050

The Denton Public Works department added Halloween cheer to the streets. They placed a pumpkin scarecrow at the intersection of Franklin St. and 5th Ave. at the stop sign. Along with the pumpkin scarecrow, students at DCDC (Denton Child Development Center) in Denton painted small pumpkins that are seen at the intersection as well.

If you have not been by that area recently, make sure to check it out. It's very festive and it,s sure to put a smile on your face.

Happy Halloween!

Bulkhead Replacement Project

Construction is coming to Crouse Park as part of an upcoming project to replace the park's bulkhead and help protect and improve the waterfront area.

The park will remain open during construction. However, visitors should expect temporary impacts, including restricted access to certain areas, construction equipment, noise, and changing work zones as the project progresses.

Please follow posted signs and any temporary closures or access instructions while work is underway to help ensure everyone's safety. We appreciate your patience and understanding as improvements are being made. If you have any questions, please contact our Project Manager, Ms. Katie Northam, at 410-479-3625.

We apologize for any inconvenience. Thank you for helping us keep Crouse Park safe and accessible during construction!

A Casa Call to Action

CASA of Caroline is working very hard to increase our number of volunteer advocates so we can effectively support the local Department of Social Services who have 62 cases they are serving. I am asking community members to STEP UP, SPEAK UP, STAND UP. It is not unrealistic for us to grow into a position where all the children of reported cases of abuse and neglect are served by an adult who will advocate for their best interests.

Please consider being a Court Appointed Special Advocate, supporting and standing beside the abused and neglected youth in Caroline County currently living in foster care while they and their parents work toward reunification. Your advocacy can positively impact and change the trajectory of a child's life.

If you are interested in applying, please visit our website at www.casaofcaroline.org. If you would like more information before applying, please contact Executive Director, Kathleen Dormody, at kathleendormody@casaofcaroline.org or (410) 479-8301.
